

ANDRY SUTANTO
POLARIS CAPITAL MANAGEMENT, LLC
125 Summer Street, 14th Floor – Boston, MA 02110
617-951-1365 or info@polariscapital.com

Andry Sutanto joined Polaris Capital Management, LLC in January of 2005 as an analyst. His role is focused on quantitative research and on building efficiencies in the proprietary investment technology that are integral to the firm's investment process. Mr. Sutanto most recently served as a research and teaching assistant for the finance and MIS departments at Northeastern University, where he received dual master's degrees in finance and business administration in January 2006. He was previously a computer engineer with the Cambridge Research Group. Mr. Sutanto is a graduate of Boston University, and is currently a CFA Level III candidate.
